

EACCME®

European Accreditation Council for
Continuing Medical Education

Subject: Accreditation Announcement
for the 22nd World Congress on In Vitro Fertilization.

Dears: Prof. Yoshiharu Morimoto , Prof. Omar Sefrioui

We are delighted to inform you that the 22nd World Congress on In Vitro Fertilization, taking place in Marrakech, Morocco, from November 7-9, 2024, has officially been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®).

This distinguished event has been awarded 17.0 European CME credits (ECMEC®s), providing an exceptional opportunity for medical professionals worldwide to enhance their knowledge and skills. These credits are not only recognized throughout Europe but also globally, thanks to reciprocal agreements with the American Medical Association (AMA) and the Royal College of Physicians and Surgeons of Canada.

Whether you participate in person or access the event recordings afterward, you will be eligible to claim these credits.

To facilitate the accreditation process, we kindly request a dedicated link on your conference website that includes all relevant documentation, complete with details about the accreditation application manager, their contact information, photos, and areas of specialization.

This initiative is under the expert guidance of the Director of Coordination for 22nd World Congress on In Vitro Fertilization. - Dr. Mustafa Zakaria, Obstetric Anesthesia, Belgium

Thank you for your attention to this matter.

Warm regards,

Dr João Grenho
Secretary General of UEMS
